

With PDFill, you can open your PDF file or create a new blank PDF, then type your own language into PDF just like a typewriter.

Here are some examples:

French: Créez votre mail gratuitement | Accédez à votre mail

Spanish: Crea tu propia página de inicio con tu correo, noticias, deportes, tiempo

Italian: Dai un'opportunità al destino...con Yahoo! Incontri

Swedish: Integritet | Villkor | Annonsera på Yahoo! | Hjälp & Information

Germany: Yahoo! Grußkarten, kostenlose
